

2012 South Dakota Continuing Education
Seminar Schedule and Registration
Plumbing Contractors and Journeymen

This 4 hour course has been approved for 4 hours of CE credit by the South Dakota State Plumbing Commission. These classes are sponsored by the South Dakota PHCC and IAPMO.

On the **reverse side of this page** is the schedule of SD Uniform Plumbing Code Seminars. You are required to attend one of these classes **to be eligible to renew your license in 2013.**

All classes run from 6:00 pm to 10:00 pm. You are encouraged to pre-register, but on-site registrants should arrive no later than 5:30 pm to register so class can begin promptly at 6:00 pm. Refreshment break (sandwiches and soft drinks) at approximately 7:30 pm.

Please bring your 2009 UPC code book to the class. Books will not be available for purchase at the seminar sites. UPC books can be ordered from the SD State Plumbing Commission.

There are 3 seminars in Rapid City and 4 seminars in Sioux Falls. In these two cities, **you are requested to attend a seminar based on the first letter of your last name (example A-E, F-K, etc.). Those designations are listed on the schedule page.** To have manageable class sizes, seating available and to plan for refreshments, we ask that RC and SF attendees please try to follow this last name registration procedure. If you are unable to attend on your designated date, you can attend another session, in another location, that fits your schedule.

Also, the South Dakota PHCC will post class information on its web site: www.sdpfcc.org All attendees should exercise their own discretion and judgment in considering unsafe winter travel conditions.
